

## **"Let It Go" – Expect Respect Version**

Students show pride in our school today  
No disrespect to be seen  
A school of responsibility  
And it looks like we're in the lead

Our school is happy like a rainbow in the sky  
We work our hardest, teachers know we try

Don't ever tease, remember to be ...  
Be the good students we always have to be  
Stop, walk, and talk,  
Stop, breathe, and leave  
Well now you see ...

Let it go, let it go  
Your friends don't need to know  
Let it go, let it go  
It's time for you to grow

We show pride  
Each and every day  
Let the day go on  
Learning is our goal anyway

It's funny how our teachers  
Make everything seem fun  
Working together as a team  
Changes school a ton

It's time to see what we can do  
To be respectful through and through  
Stop, walk, and talk  
Stop, breathe, and leave  
Let it be

Let it go, let it go  
Your friends don't need to know  
Let it go, let it go  
It's time for you to grow

We show pride  
Each and every day  
Let the day go on

When asked to stop, we breathe and leave without a sound  
Our tolerance is spreading in our souls and all around  
And we're not bystanders, we stick up for our friends  
We always show respect  
Together 'til the end

Let it go, let it go  
Your friends don't need to know  
Let it go, let it go  
It's time for you to grow

We show pride  
Each and every day  
Let the day go on  
Learning is our goal anyway
