

PBIS UPDATE

AT HERITAGE LAKES

OCTOBER 2014

TIP OF THE MONTH

When handing out Husky Heroes be sure to include specific, positive praise, so the students know why they are getting them.

Might be a good time to reteach **STOP, TALK and WALK.**

Carry the card with you, so it is handy when you need it. If you would like lessons for re-teaching this, email Robin Jones.

Kudos to you all for getting the yellow copy of your discipline forms into Becky Atlas' mailbox within 2 days of the infraction.

Important Information:

Continue teaching Character Counts, as it is part of PBIS.

Extra Referral Forms are in manila envelope attached to bulletin board in the office hall.

Complaints are being heard in the building, yet the **Suggestion Box** in the teacher's lounge remains empty of these complaints, questions, concerns, or suggestions. The PBIS committee cannot make the necessary changes if we do not know there is a problem. Please let us know how we can help!
